Yes, apartments are still a good investment, but for more fundamental reasons than during the past eight years. What I mean by this is apartments have always been a good investment.

## **Council Post: Are Apartments Still A Good Investment In 2019?**

A fundamental contradiction lies beneath most of our housing policy debates. At City Observatory, we've frequently made the case that promoting homeownership as an investment strategy is a risky proposition. No financial advisor would recommend going into debt in order to put such a massive part of your savings in any other single financial instrument—and one that, as we learned just a few ...
