Pros: Bought this bat for my 13 year old daughter about a month ago. She loved the feel of the bat and we felt it would be a great fit for her. Cons: Last weekend after using this bat in 3 tournament and a few practices the bat broke just above the handle during one of her at bats. The barrel flew out towards the pitcher! Luckily it stopped before it reached her and no one was injured.

Pros: Bat is hot out of the wrapper. My son is a sophomore in high school and hit several over the fence and sprayed hard line drives in the gaps. Cons: We have had this bat for 3 weeks and my son came home from practice with a crack in the sweet spot of the barrel. Kind of sad to pay \$399 for a bat and it cracks within a month.
