

Common Competency Questions

Common Competency Questions

Most productive workplaces inevitably involve conflict, which means potential employers are often often keen to know how competent we are at managing such conflict. That's why conflict management questions are a key part of competency-based interviews. In the competency-based interview the most effective way to respond to questions around conflict is to provide well thought [...]

Common Competency-Based Interview Questions on Conflict ...

Interviewers may ask questions about a variety of competencies depending on the skills required for the specific job. For example, while an interviewer for a retail job may ask competency-based questions about communication and teamwork, an interviewer for an upper management job may ask questions about leadership, independence, and creativity.
