Telling Time Lesson Plans

Elapsed Time Rulers! There are many ways to teach elapsed time and over the years I've learned that having a visual time span for the students to follow is the easiest and fastest way for them to understand and map out elapsed time for themselves. The elapsed time rulers are very helpful as a visual...

Elapsed Time Rulers - Teaching Resources & Lesson Plans

FREE download!! Elapsed Time Worksheet! Students use a real world concept, movie theater times, in order to explore concepts of elapsed time. In this activity, students read the sample movie times and answer questions about beginning and ending times. This worksheet comes in both English and Span...

The Catholic Toolbox: Lesson Plans: 1st Grade On Up

Kids who first learn about time zones have some of the craziest ideas about what they are. Help clear up the confusion with math exercises that use everyday examples, like taking a cross-country flight or making a long-distance phone call.

What Are Time Zones? | Worksheet | Education.com

Telling time on an analog clock can be tricky business for young learners. This guided lesson on time helps second graders improve their ability to tell time to the hour, half-hour and quarter hour.

Telling the Time Made Easy! | Worksheet | Education.com
