

Florian Dombois Struck Modernism English And German Edition

Florian Dombois Struck Modernism English

'Struck Modernism' is a project by the artist Florian Dombois, in which he strikes sculptures with a hammer and records their distinctive sounds with a contact microphone. These sounds are then combined to form a clock and re-used in a sound installation.

Florian Dombois: Struck Modernism - Idea Books

Struck Modernism is a project by the artist Florian Dombois, in which he strikes sculptures with a hammer and records their distinctive sounds with a contact microphone. These sounds are then combined to form a clock and re-used in a sound installation. These sounds are combined to form a clock and then re-used in a sound installation.
