The aim of this site is to raise awareness of the range of health and safety legislation that applies to workplaces in Great Britain.

Health and safety legislation - laws in the workplace

In the thousands of OSHA prosecutions that have occurred in Ontario history, defendants have been jailed fewer than two dozen times. However, in its recent decision of Ontario (Labour) v. New Mex Canada Inc., the Ontario Court of Appeal provided clarity on the sentencing principles in OSHA cases. The court made clear that just because jail terms are rare does not mean they should not be imposed.
