The Narrow Margin was on of TCM Top Twelve for March, and how fortuitous because it's also been restored for presentation at the upcoming TCM Classic Film Festival. It's cited as the definition of the B-movie, and I have to agree. It's a thrilling, contained story held together by strong performances from a trio of actors. The...

Margin is the amount available beyond what is necessary. It's the amount you have available beyond what is necessary. I might define margin as this: it's the difference between what you have and what you need. If I have 30 minutes to get somewhere and it takes 20 minutes to get there, I have 10 minutes of margin.
