Bow. A bow signifies the doctrine of truth; and this from the darts, arrows, or other missiles, which denote the doctrinal things from which and with which those in especial fight who are spiritual, and who were thence formerly called shooters with the bow. [3] That a bow signifies the doctrine of truth is evident from the following passages. In Isaiah:--

A bowstring joins the two ends of the bow stave and launches the arrow. Desirable properties include light weight, strength, resistance to abrasion, and resistance to water. Mass has most effect at the center of the string; one gram (0.035 oz) of extra mass in the middle of the string slows the arrow about as much as 3.5 grams (0.12 oz) at the ends.
