

The Weather Wheel

The Weather Wheel

This weather wheel is a great tool to encourage kids to practice identifying kinds of weather everyday. Your child will start by creating the weather wheel as he draws and colors scenes of rain, sun, snow, and clouds on the four sections of the weather wheel.

The beautiful and rugged North Coast of California is home to this private weather station and its webcams. The urban and the wild mingle here; giant redwood trees, the delicate rustling of eucalyptus leaves, the pounding of the surf, or gurgle of a secluded creek. This station's microclimate weather data is acquired near the Rohnerville Airport in Fortuna.
