The United Nations is an excellent place to work. My experience working in the United Nations has been more than satisfactory.. The multi-culture environment has made it even more interesting. Management has been good and the need for multi-tasking is always a challenge. The most enjoyable part is meeting new people of different ethnic cultures and religion - makes the workplace very interesting.

The United Nations and the Advancement of LGBT Rights. There is no Convention, Committee or Special Rapporteur explicitly charged with the protection of LGBT human rights. As a result, some States do not even recognize abuses directed against lesbians, gays, bisexuals and transgender people as matters of human rights.
