

What Your Dentist Does To Keep The Dental Office Safe

What Your Dentist Does To

Going to the dentist can be a literal and proverbial pain for most people. A large percentage of the population is even afraid to go to the dentist. If you have dental phobia or even avoid seeing the dentist regularly, you can overcome your fears by identifying them and building positive experiences with your dentist.

How to Overcome Your Fear of the Dentist (with Pictures ...

A.: Vicki, It is often said, even by dentists, that drinking through a straw will lessen the exposure of teeth to staining from coffee and tea and the harmful effects of sugar from soda. This is absolutely not true and I disagree with most of my colleagues on this one. Here's why: Next time you drink from a straw, try to notice if you can feel the drink from the straw touching your teeth or not.

About a month ago there was a blog post that got a lot of attention. It was titled 10 Reasons Your Dentist Probably Hates You Too. It created quite a stir and wrote a post that I called 10 Reasons Why My Patients Love Me, in response. The author of the first post wrote it with her tongue firmly planted in her cheek, and I wrote my response to sho
