Content. Battle Cry of Freedom covers two decades, the period from the outbreak of the Mexican-American War to the Civil War's ending at Appomattox. Thus, it examined the Civil War era, not just the war, as it combined the social, military and political events of the period within a single narrative framework.

The An Lushan Rebellion was a devastating rebellion against the Tang dynasty of China. The rebellion overtly began on 16 December 755, when general An Lushan declared himself emperor in Northern China, thus establishing a rival Yan Dynasty, and ended when Yan fell on 17 February 763 (although the effects lasted past this). This event is also known (especially in Chinese historiography) as the An ...
