Patriarchy And Accumulation On A

Patriarchy is a social system in which men hold primary power and predominate in roles of political leadership, moral authority, social privilege and control of property. Some patriarchal societies are also patrilineal, meaning that property and title are inherited by the male lineage.. Patriarchy is associated with a set of ideas, a patriarchal ideology that acts to explain and justify this ...

Interpretivism states that scientific study using inductive logic is not suited to the study of humans. They believe an individual’s level of free will makes the study of meanings which people attach to their actions a better method of understanding society. Sociology, therefore, cannot be a science as laws of cause and effect fail to explain these meanings.
